

Placement Papers: Computer Associates Paper

Examrace Placement Series prepares you for the toughest placement exams to top companies.

I am Reema. I am sending the pattern of CA...

Pattern: The Written test will be conducted by "MeritTrac" (they also conduct the Entrance test of VERIZON).

There will be 2 sections mainly: Aptitude (40 Min):

- Verbal.
- Quantitive (Have a look at question on CUBEs).
- Mental Ability. Technical (30 Min)
- C/C + +/Java one paper depending on our choice

In any paper emphasis will be on Programs...

In C concentrate on Pointers, memory functions like memset, memcpy, etc...

MOST IMPORTANT: There will 100 %-ve marks.

Interview Preparation

This the Pattern followed to us, but this may vary.

There are 3 Rounds...

1. Technical (General) oo Concepts & types of testing, deadlock, etc...
2. Those who cleared the 1st round are given around 40 pages of "Design patterns" introduction and gave a Single Design pattern to each and gave 2 hours time to summarize the concept and asked to give a presentation on the pattern given to each.
3. If we r able perform satisfactorily in 2nd round, there will be HR. HR is just nominal but be careful u may be asked questions about CA...

All the best_____
