

## Placement Papers: Polaris Paper Pattern

**Examrace Placement Series** prepares you for the toughest placement exams to top companies.

hi fellows.

the paper pattern was like this\_\_\_\_\_

total of 60 questions which must be completed within an hour\_\_\_\_\_

the first 6 questions were from C (basics of c)

the next set was from microprocessors (8085-around 10 q)

then the major part was from R S Agarwal... Around 35 to 40 questions

logical reasonin and verbal\_\_\_\_\_10 questions

that was wid the writting\_\_\_\_\_ they told us that the cut off was 50%... (i doubt tat very much).

from 2500 students they shortlised around 441 students...

the next round was GD\_\_\_\_\_ (in a panel around 14 students)

from this round they shortlisted 142 students\_\_\_\_\_

the next round was technical hr (it included the round of personl hr also, Maybe due to lack of time)

Atlast 50 students were selected from thelast round\_\_\_\_\_ then we were given our OFFER LETTERS.....

Hope the above listing would give u all an idea of the selection process. GOOD LUCK.
