About the Company: The company is in ITPL, Bangalore. And around 200 people strong in India. The whole company is around 1000 people strong world-wide. It's a product based company and dealing mostly with Supply-Chain management and Data Warehousing.

How I applied: 2 weeks back, there was an advertisement in "The Hindu-Opportunities" asking for 2 + years of Java, J2EE experience. I sent my resume to the given mail ID. Only selected people are called for written test.

TEST PAPER AND INTERVIEW PATTERN:

There are 4 rounds:

Written Test

Technical Interview

CEO interview

HR interview

The Written test pattern:

50 Questions--1.5 hours of time.

Most of the questions are multiple choice.

The split up is:

EJB (10 Questions)

JAVA (20 Questions)

JSP (5 Questions)

MISLLENEOUS-XML, JDBC etc (5 Questions)

ANALYTICAL (5 Questions)

SQL (5 Questions)

Our written test is held on 17 Jan 2004 in Le Meridian hotel, Chennai.

I have written down whatever questions I remember so that it will be useful to those who will be taking the test in future and also for those appearing for J2EE interviews.

I have given the questions in Written Test and Technical Interview.

I didn't have the other interviews.
