

## Placement paper of Deloitte

DELOITTE @ PSG Tech, Coimbatore (30.07.2004)

They said that they are going to go for 15 colleges which includes,

Pune Univ.,

Vishveshwaraya

Anna etc

PSG was the second campus they visited. First was College of Engg, Tirunelveli

The company was open for all branches of B.E and M.E

They took 8 from our college

3 CSE

2 ECE

1 each from M.Sc: Software, M.E Energy and Textile technology

The compensation package is about 2.7 lacs / annum

They expect people with very good communication skills

The Panel consisted of 6 members

2 electronics engineers from Mumbai Univ.,

Santhosh Chennan Former CTS HR

Padma Kiran Rao HR (MBA from XLRI)

Manish CEO

And also an architect

They told that there will be one interview in ppt

But more interviews were conducted in cases where the HR's were not able to decide

They were sent to CEO panel

The interview was full of personal and a little HR for non-circuits and technical for circuits

They expect students to be strong in the Enterprise application and Technology integration field

### QUESTION PATTERN AND A FEW QUESTIONS

The pattern was similar to CTS pattern as the HR's were former CTS employees

The booklet given here was PINK

40 Qns 60 mins Negative marking of 0.25 per negative answer

Three sections (Verbal, Quant and Critical)

15 Quans

10 Verbal

4 (Fitting the correct word in the given sentence)

6 (Fitting the correct sentence in the given paragraph)

15 Reasoning

PE work out Don't rely on the answer provided here. They may be wrong sometimes

I have 20 rupees I bought 1, 2, 5 rupee stamps. They are different in numbers by the reason of no change, the shop keeper gives 3 one-rupee stamps. So how many stamps do I have? Ans: 10

An engine length 1000 m moving at 10 m/s. A bird is flying from engine to end with x kmph and coming back at 2x. Take total time of bird traveling as 187.5 s. Find x and 2x

All persons know either swimming or rowing. There are 14 persons who know only swimming and 14 persons who know only rowing. 5 tickets sold for rowing. How many people are there for swimming?
